

WEDNESDAY, OCTOBER 9

8:30 - 9:00	Participant registration
9:00 - 9:30	Institutional opening session Jose Luis Elejalde, Director of Energy, Climate and Urban Transition, TECNALIA Iván Martén, President, ORKESTRA Mikel Amundarain, General Director, EVE
SESSION 1 - Electricity grids from an international perspective: strategic approach, geopolitics, security of supply, supply chain, critical materials...	
9:30 - 11:00	Part 1 Moderator: Jose Ignacio Hormaeche , General Director, ENERGY CLUSTER Alana Rawlins, Energy Investment Analyst, INTERNATIONAL ENERGY AGENCY Ricardo Renedo, Policy Officer, DG ENER, EUROPEAN COMMISSION Mark McGranaghan, EPRI Fellow, EPRI Europe
11:00 - 11:30	Coffee Break
11:30 - 13:30	Part 2 Moderator: Alicia Carrasco , CEO, olivoENERGY Alberto Toril, Europe Power Sector Manager, BREAKTHROUGH ENERGY Sergio Felipe Contreras, Associated researcher, UNIVERSITY OF BREMEN Savannah Altwater, Head of the Distribution & Markets Facilitation team, EURELECTRIC Keith Benes, Senior Fellow, US DOE
13:30 - 15:00	Break - Networking lunch
SESSION 2 - Innovation in the digitalisation of the distribution network	
15:00 - 16:30	Panel I Moderator: Nico Arcauz , Smart Grids Director, i-DE REDES ELÉCTRICAS INTELIGENTES (GRUPO IBERDROLA) Alessio Costantini, International Product Manager for Energy Efficiency Monitoring and DER Systems, CARLO GAVAZZI CONTROLS Heiko Englert, Global Director Product Management Protection, SIEMENS Pedro Urteaga, Vice President Global IEC Engineering, HUBBELL David MacDonald, Grid Automation System Architect, GE RENEWABLE ENERGY
16:30 - 17:00	Coffee Break
17:00 - 18:30	Panel II Moderator: Mar Duque , General Director, AFBEL Oscar Fernández de Retana, Chief Technology Officer, ARTECHE Jose Maria Torres, Head of Smart Grid Unit, ORMAZABAL Iñigo Lartategi, Smart Grids Product Manager, PRONUTEC- GRUPO GORLAN Juan M ^a García, Global R&D Director Power Grid Automation, INGETEM

THURSDAY, OCTOBER 10

8:30 - 9:00	Participant registration
SESSION 3 - Strategy, opportunities and challenges for distribution grid operators in Spain	
9:00 - 11:00	Panel Moderator: Paloma Sevilla , General Manager, AIELEC Juan Ortiz, Head of Network Operation and Maintenance, E-DISTRIBUCIÓN REDES DIGITALES, S.L.U. Alberto Guerra, Director of Network Operations, EDP REDES ESPAÑA Eva Mancera, CEO, i-DE SMART ELECTRICITY GRIDS Jose Julio Pérez, Distribution System Manager, UFD Leonardo Hervás, General Director, CIDE
11:00 - 11:30	Coffee Break
SESSION 4 - Technological solutions for the electrification of the economy: demand flexibility, energy communities and self-consumption, electric mobility...	
11:30 - 13:00	Moderator: Guillermo Amann , Spokesperson of the Forum for Electrification, FORUM FOR ELECTRIFICATION Sabine Löbbe, Professor in Energy Economics, UNIVERSITY OF REUTLINGEN Martina Ravasi, Demand Response – Business Developer, EPQ Pierpaolo Cazzola, Director of the European Transport and Energy Research Centre, UNIVERSITY OF CALIFORNIA, DAVIS Vlad C. Coroamă, Principal Researcher, ROEGEN CENTRE FOR SUSTAINABILITY
13:00 - 13:30	Closing Session Jose Luis Elejalde, Director of Energy, Climate and Urban Transition, TECNALIA Jorge Fernández, Coordinator of the Energy area, ORKESTRA Irantzu Allende, Deputy Minister of Energy Transition, EVE-GOBIERNO VASCO
